Dear Prime Minister Scott Morrison,

As the head of Australia’s National Cabinet, I am writing to request National Cabinet meeting minutes under the Freedom of Information Act 1982. You have rejected an identical Freedom of Information request from me previously, on the grounds of the act exempting Cabinet documents from release. However, you will be aware of a recent ruling that such documents are not exempt from FOI as the National Cabinet is NOT a cabinet.

The previous refusal was made on this basis alone and thus I expect to receive the requested documents in full without delay.

Please see the information request made under the Freedom of Information Act 1982 below.

1) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the phrase ‘Australian Defence Force’
2) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the phrase ‘Defence Force’
3) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the phrase ‘Hotel quarantine’
4) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the phrase ‘Private security’
5) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the phrase ‘Security guards’
6) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the phrase ‘Security guard’
7) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the word ‘Hotel’
8) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the word ‘Quarantine’
9) All National Cabinet minutes and documents from the National Cabinet meeting on the 27 March 2020 containing the acronym ‘ADF’

For the purposes of this request National Cabinet means the Australian intergovernmental forum composed of but not limited to The Prime Minister, State Premiers and Chief Ministers. For the purposes of this request the National Cabinet also includes any committees or subcommittees regardless of their membership. For the purposes of this request; the phrases, acronyms or words used to identify the documents or minutes requested are to be considered case-insensitive.

Dear,

Thank you for your email dated 7 August 2021, received by the Department of the Prime Minister and Cabinet (the Department), in which you made a request to the Department under the Freedom of Information Act 1982 (the FOI Act) in the following terms:

I am seeking all notes, meeting minutes, records of conversations, speeches (draft or otherwise), management plans, modelling, documents, phone messages, text and instant messenger messages (on government platforms or otherwise) created by or between members of the “national cabinet” or their support staff, consultants and
associates relating to the coronavirus (SARS COV-2 or COVID-19) response for the period from January 2020 to present.

On 9 August 2021, you clarified your request in the following terms:

... please include all emails, deleted emails and draft emails (including those on gmail or other non-government platforms).

**Timeframe for receiving your decision**

We received your request on 7 August 2021 and the 30 day statutory period for processing your request commenced from the day after that date. You should therefore expect a decision from us by 6 September 2021. The period of 30 days may be extended in certain circumstances. We will advise you if there is any extension of time.

**Charges**

Agencies may decide that an applicant is liable to pay a charge in respect of a request for access to documents. If the Department decides that you are liable to pay a charge, we will send you a preliminary assessment of the charge as soon as possible.

**Publication of documents**

Please note that information released under the FOI Act may later be published online on our disclosure log at https://www.pmc.gov.au/government/departmental-foi-disclosure-logs, subject to certain exceptions. If you think you might wish to raise any objections to the publication of any of the information which may be released to you please contact us by email at foi@pmc.gov.au. If you do wish to object to the publication of information, you would need to provide supporting reasons.

**Exclusion of officers’ names and contact details**

For documents that fall within scope of the request, it is the Department’s policy to withhold:

any person’s signature;

the names and contact details of Australian Public Service officers not in the Senior Executive Service (SES);

the mobile or direct numbers of SES officers;

the names and contact details of Ministerial staff at a level below Chief of Staff.

The names and other details of SES officers will not be withheld unless there is some reason for that information to be exempt from release. If you require signatures, the names and contact details of non-SES officers or Ministerial staff below the level of Chief of Staff, or the mobile or direct numbers of SES officers please let us know at foi@pmc.gov.au so the decision-maker may consider; otherwise we will take it that you agree to that information being excluded from the scope of your request (that is, the information will be treated as irrelevant and redacted from any documents for release).

We will write again when the Department has more information. Further information on FOI processing can be found at the website of the Office of the Australian Information Commissioner https://www.oaic.gov.au/freedom-of-information/.

Yours sincerely

Dear [SEC=OFFICIAL]

I dispute the assertion that my request would place undue strain on the Prime Minister and his “national cabinet” – after all, the Prime Minister and the Premiers have the full resources of the governments of the nation at their disposal, and staffs dedicated to responding to such requests. These documents are a matter of public record and should be readily made available in an open and transparent government. A refusal indicates that the national cabinet has embarrassing secrets to hide.

Nonetheless, I will accept your offer to narrow my request, and my revised request is narrowed as follows:

1. All communications between members of the National Cabinet and their senior staff (down to Departmental Secretary level) on non-governmental platforms including, without limitation: gmail; Signal; Telegram; Whatsapp and whatever other platforms these people use to evade FOI requests when conducting government business.
2. All documents relating to any advice received by the members of the National Cabinet on the economic and social impacts of lockdowns, in-particular, the health impacts of lockdowns (which should broadly include, without limitation, mental health impacts)

RE: National Cabinet Document Disclosure

Dear Mr. Morrison,

I am requesting a copy of all minutes held by the National Cabinet from its established date of the 13th of May 2020 until the last meeting of the 7th of August 2021.

I draw to your attention to the following as noted by Justice White in the matter of Senator Rex Patrick v Prime Minister Scott Morrison on whether National Cabinet is really a cabinet.

The judgement delivered by the Federal Court Judge Richard White on Thursday said the National Cabinet had not been established as a committee of the Morrison Cabinet and as such could not be included under the “secrecy exemption” of the FOI Act. Further, Justice Richard White agree, finding the national cabinet was not, as the prime minister had contended, a subcommittee of the federal cabinet.

I expect full disclosure of the documents and relevant material.

Yours faithfully,
