s22

We seek your clearance of the following standard words to be used for corro on Sen Sinodinos:

For the PM

As I advised the House of Representatives on 19 March 2014, Senator Sinodinos has stood aside as Assistant Treasurer until the investigation into Australian Water Holdings is resolved, at least in as far as he is concerned. I look forward to Senator Sinodinos' restoration to the ministry, and in the meantime his ministerial duties will be undertaken by the Minister for Finance.

Thank you for bringing your views etc

For everyone else

The Prime Minister advised the House of Representatives on 19 March 2014 that Senator Sinodinos had stood aside as Assistant Treasurer until the investigation into Australian Water Holdings is resolved, at least in as far as he is concerned. Mr Abbott looks forward to Senator Sinodinos' restoration to the ministry, and in the meantime his ministerial duties will be undertaken by the Minister for Finance.

Thank you for bringing your views etc

Where possible, we will do up corro for Chief of Staff, unless you would think Parl Sec Frydenberg better.

As an example of the corro coming in:
