3. As advised in brief (B14/1913), we also consider there is merit in updating the website content on [cuttingredtape.gov.au](http://cuttingredtape.gov.au) ahead of the upcoming Spring Repeal Day in October 2014, by:
  - a. creating pages dedicated to consultations on the Regulator Performance Framework (B14/2491 refers) and the recognition of international standards (B14/2470 refers); and

- b. updating content relevant to Repeal Day, for example, including a consolidated list of deregulation initiatives progressed as part of the Spring Repeal Day.
