Dear s22

I have had a further update that says that Stephen Hayward has the lead in responding to the AHRC re s47F, so he might be able to assist.

Hi s22

I've just chased some info about this internally and my FAS Chertyl-anne Moy has just advised me that Neil Skill and Michael Shelton (A/g AS Det Health) are coordinating a response.

Hope that helps?

Dear s22

I'm not sure what case this is. The work of my Branch covers Child Protection and Wellbeing, which may cover the wellbeing of a family if a minor is involved. But that is all. Sometimes we work with Det Health when the matter is about family unity or transfer (when a minor is involved).

I need more information about this please before I can assess.
