Good Afternoon,

The Prime Minister's Office has requested a coordinated brief on the case of s47F a Somali refugee currently in Nuaru, who has requested medical treatment in Australia.

Prime Minister and Cabinet will prepare the brief, but in order to ensure the most accurate information is included, we require input from the DIBP and ABF.

Can you please provide any **background information** on this matter that is available to your Department, specifically:

- **Talking points** for the Prime Minister to use
- **Updates** if any have occurred today
- **Statistics and details** on previous instances where asylum seekers have been airlifted to mainland Australia for medical attention

Please note that this information is due by **1700 today, Wednesday 7 October 2015** to enable the Prime Minister to be briefed today.

If this matter is not in your purview, can you please respond immediately, and advise a more appropriate point of contact.

Many Thanks
