FOI/2010/37

To the FOI Officer at the PMC,

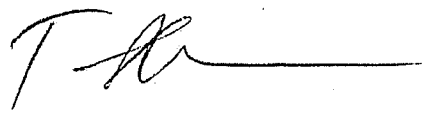

This is a request under the *Freedom of Information Act* for all documents (including but not limited to memos, reports, briefings, emails, other correspondence) produced between April 14 and May 20 given to or prepared for the Prime Minister or the Prime Minister's office, discussing or offering advice on alternative policies for mitigation and action on climate change other than an Emissions Trading Scheme, including but not limited to advice on the possibility of including a climate trigger in the *EPBC Act*.

Enclosed is a money order for the \$30 processing fee.

Please contact with any questions that may help expedite this request.

Additionally, as discussed in a phone conversation with FOI staff from the PMC on the 19/5/10, we would like to also request documents produced after May 20<sup>th</sup> – but *only if* it is possible to include documents produced between May 20<sup>th</sup> and the end of the 30 day processing window on June 19<sup>th</sup> in the same request, without lodging a new request after May 20<sup>th</sup>, and without delaying processing. Please advise how this may happen.

Regards,

 19/5/10
