VISIT-IN-CONFIDENCE

Dear all

The purpose of this email is to invite you to a CERHOS Planning meeting with the US Embassy for the visit to Australia by the Honourable Barack Obama, President of the United States of America.

The meeting will take place at the Department of the Prime Minister and Cabinet on the ground floor in the John Starling meeting room at 10 am on Thursday 22 September 2011.

Please let me know if you will be accompanied by anyone and whether you need a car space.

I hope to have an agenda out this afternoon, however, I can advise that the Border Agencies will be one of the first items on the agenda. We do not plan to raise Air Space Security in this meeting – however, those involved in this issue are still welcome to attend the meeting if they wish to.

At tomorrow's meeting, we will also provide you with more details about the Pre-Advance including the separate airports meetings in both Canberra and Darwin.

Kind regards

Felicity

Thanks

We're drafting a very minimal press release that I don't expect to go beyond announcement of the Darwin leg and PM's presence in Darwin.

Grateful if you could include me when sending the US draft release through as I'll be progressing the announcement at this end.

Cheers

PMO are ok with announcement on Darwin. We will want to ensure that we coordinate with the WH so we can get a media release out at about the same time. Can we make sure US understand that we want to synchronise the announcements.

Nsc called tonight to say that - pursuant to requests from protocol in Cbr - they were nearly ready to announce that the President will visit Darwin on 17 Nov. They wanted to check if we here happy to do this within the next two days and whether we would be able say the PM is also going. Grateful advice overnight if possible.

I also had a meeting this evening at NSC to run through announceables following the inter-agency here last Friday. I will pull people together at the Embassy tomorrow to go through some of them and then cable tomorrow. But let me know if there is anything you need to know tonight.

David

Subject: Obama program - role of DFAT seniors [SEC=UNCLASSIFIED]

Hi Felicity

Just a quick follow-up to our discussion on Sunday re the involvement of DFAT seniors in the program. My understanding is that:

- The invitee list for the dinner (16 Nov) has to be approved by the PM and as of yesterday (6 Nov) the PM was still considering the list. We can't be definitive about the involvement of DFAT seniors until the approved list comes back from the PMO.
- Dennis Richardson will be invited to the dinner (as will all Department heads). DFAT DepSec Heather Smith and Bill Tweddell (FAS Americas) would also be invited. This is all done in order of precedence, so it just depends on how far down the tree you decide to go - probably to FAS level but this isn't t completely clear yet.
- Dennis and (probably) Heather and Bill will probably also be invited to attend the President's address to Parliament on 17 Nov. They would all be seated in the public gallery.
- There are no other events/meetings in which DFAT seniors would be involved.

Has there been any discussion at all about the extent to which Mr Rudd will be involved? Obviously he'll be in the Cabinet meeting (and I doubt there would be anything beyond that) but could you confirm that for me?

POSSIBLE DARWIN ADVANCE

For those Australian Officials who will be required on the Advance to Darwin – CERHOS intends on flying there Tuesday morning (6.05am), to commence in the afternoon and return to Canberra on Wednesday afternoon (direct flight).

We will endeavour to provide a full advance program, updated summary program, agenda and attendee list to you once details have been confirmed/provided. Could you please indicate if you intend on participating in this meeting – with confirmation by us by the end the week. Please also indicate if you will be accompanied by others from you agencies. We acknowledge there will be a number of site meetings required with various agencies to talk about specific technical
