Spoken with Frank, he said CerHos has definitely not been consulted on documents of this nature separate to our own FOI.

I'll give Defence a call now.

Hi all,

I've got a similar FOI request for the international travel preferences of Mr Abbott, Ms Gillard, Mr Rudd and their partners generally (but not relating to the 34 Squadron Jet). No decision has been finalised for our FOI request (FOI/2014/134), which is currently overdue. Mr Frank Leverett, Assistant Secretary of CerHos, is the decision-maker.

Hi team,

[REDACTED] s 22 from Defence called querying whether we processed a request that matches the following:

- Request relating to the 34 Squadron Jet food profiles for Mr Abbott and Mr Rudd (food preferences)
- There was an article in the WA News on Saturday that has brought it to their attention

They are chasing information.

If this is your request please call [REDACTED] s 22 on [REDACTED] s 22. Please also let me know if it's not your request and I'll respond to [REDACTED] s 22 if it's not us.

Regards
