Dear

I would like to thank you and your team – in particular s47F – on behalf of the National COVID-19 Coordination Commission (NCCC). You diligently supported the Manufacturing Taskforce led by our Special Adviser, Mr Andrew Liveris AO, and facilitated a quick succession of meetings dealing with complex issues in a compressed timeframe.

A competitive, productive, and dynamic manufacturing sector remains a vital factor in Australia's prosperity and security, and I believe that Australian manufacturing has a bright future if we get the settings right. With your professional assistance, the Taskforce has provided the NCCC with strong and clear recommendations to that end. I have provided the Taskforce's final report to relevant Ministers and the NCCC will consider its recommendations as we develop advice to Government.

Thank you, once again, for your dedication and insight in these challenging times.

Yours sincerely,
