Good morning all,

The committee met earlier this morning and noted the correspondence from PM&C of 31 January 2022. At this stage we don't have any information from committee members about possible lines of inquiry, but will be in touch if and when advice is received.

Regarding the operation of the hearings, you should have now received the confirmed Protocols – please let us know if you have any questions s47C [REDACTED]

Callie, the committee was made aware of witness availability as discussed earlier today – no concerns were raised, thanks again for the advance notice. The dinner break on Monday is 6.30 pm to 8.00 pm, so that should address any concerns there.

s47C [REDACTED]

Please get in touch any time if you require anything further before next week.

Kind regards,
