

Four Corners Report – Great Awakening

- On 14 June 2021, Four Corners aired a story drawing links between QAnon conspiracy adherents and family friends of the Prime Minister.
- The episode alleged that this connection resulted in changes to the Prime Minister's National Apology to Victims and Survivors of Institutional Child Sexual Abuse (National Apology) speech on 22 October 2018, specifically to include reference to 'ritual' child sexual abuse.
- This issue was previously raised by Senator Wong at the 2020-21 Budget Estimates.
 - The question was taken on notice, but the response has not yet been tabled.
