How we've calculated if you could save money on another plan

This comparison is based on rates and/or discounts applicable under your current energy plan and the suggested plan as at 15 Dec 2025. Our offers are subject to change. If we don't have usage data, we've estimated your usage based on a similar sized household. This comparison includes any applicable discounts and concessions but excludes AGL double up discounts (from the suggested plan only), one-off benefits, fees and other charges such as green or ancillary charges.

Understanding fees and charges

We want you to understand the ins and outs of your bill. To find out more about common fees and charges that appear on your bill visit agl.com.au/feesandcharges

Do you have Life Support equipment at home?

If someone at your address relies on medical equipment, you may be eligible for Life Support protection. Call us on **131 245** if you haven't already registered, or visit agl.com.au/lifesupport for more information.

How we've calculated if you could save money on another plan

This comparison is based on rates and/or discounts applicable under your current energy plan and the suggested plan as at 20 Mar 2025. Our offers are subject to change. If we don't have usage data, we've estimated your usage based on a similar sized household. This comparison includes any applicable discounts and concessions but excludes AGL double up discounts (from the suggested plan only), one-off benefits, fees and other charges such as green or ancillary charges.

Understanding fees and charges

We want you to understand the ins and outs of your bill. To find out more about common fees and charges that appear on your bill visit agl.com.au/feesandcharges

Do you have Life Support equipment at home?

If someone at your address relies on medical equipment, you may be eligible for Life Support protection. Call us on **131 245** if you haven't already registered, or visit agl.com.au/lifesupport for more information.

How we've calculated if you could save money on another plan

This comparison is based on rates and/or discounts applicable under your current energy plan and the suggested plan as at 19 Jun 2024. Our offers are subject to change. If we don't have usage data, we've estimated your usage based on a similar sized household. This comparison includes any applicable discounts and concessions but excludes AGL double up discounts (from the suggested plan only), one-off benefits, fees and other charges such as green or ancillary charges.

How we've calculated if you could save money on another plan

This comparison is based on rates and/or discounts applicable under your current energy plan and the suggested plan as at 23 Jun 2023. Our offers are subject to change. If we don't have usage data, we've estimated your usage based on a similar sized household. This comparison includes any applicable discounts and concessions but excludes AGL double up discounts (from the suggested plan only), one-off benefits, fees and other charges such as green or ancillary charges.
