Thanks –

Not 100% sure what content is required. But I've drafted a short script for Shaq (attached) about the Voice.

Hi s 22 and s 22

Once again – sorry to keep bothering on this issue, but Shaq's team have called again about the lines as they're about to get on a plane to Melbourne to meet with him. Is there anything available I can send to them?

Thank you,

Info from s 22 below:

Yep – the PM has agreed to meet with Shaquille O’Neal (basketballer) and Linda Burney on Saturday 27 August. Shaq wants to promote the Uluru Statement from the Heart and had previously arranged to do an event with Linda before inviting the PM.

Shaq would like to say a few sentences in support of the Uluru Statement if we can provide them.

FIRST NATIONS VOICE TO PARLIAMENT

Hello Australia -

I've just met with your Prime Minister and the Minister for Indigenous Australians to talk about the Uluru Statement from the Heart.

I love Australia.

And I love Indigenous Australians.

Their culture and their amazing hospitality.

From NBA star Paddy Mills to Olympic Gold Medallist Cathy Freeman –

Indigenous Australians have given sports fans, like me, so much over the years –

Now, the Uluru Statement is a chance for all Australians to work with First Nations people to create a better future.

The Uluru Statement from the Heart is a gift: a roadmap for a better future –

Where Indigenous Australians can take their rightful place as the traditional owners of the land.

It is a moment where all Australians can come together.

So, I am calling on all Australians to support a Voice to Parliament enshrined in the Constitution.

A First Nations Voice, protected by the Constitution, will mean that agreement-making and truth-telling can finally be done.

And I need you to lead conversations in your own community, through your basketball clubs, workplaces, schools and around family dinner tables.

We need you to use your voice, so that a First Nations Voice can be protected and listened to for generations to come.

You can make a difference and you can make it now.
