**Subject:** Follow up from meeting last week

Hi s 22

I hope you're well. Just getting in touch with some notes from our meeting last week. I know some of these are ongoing, but I wondered whether you had a chance to lock in a time for us to meet with s 22 about the stakeholder engagement side of things this week? I can see if Peter would like to join too.

**Meeting with s 22 and Peter | Thurs 4<sup>th</sup> September**  
**Stakeholder list:**

- Stakeholder list – s 22 are putting this together. Will send to s 22 get Dept views on the groups that are reaching out / ensure there isn't any doubling up.
- Stakeholder requests – run through with Department for a sense check (PM&C and HA)
- Re: multicultural stakeholder engagement s 22

**Action:** s 22 will organise a meeting between s 22 during sitting week

**Action:** s 22 to send through table of invites received for s 22 Department advice/oversight – attached.

**Engaging with Premier's on SC policy:**

- s 22 have already reached out to PK
- Peter wants to write to all Premier's to introduce himself / begin engagement.
- Would be helpful to get a sense of what each state/territory gov is doing s 22

<sup>s 22</sup> – ie. what is the state's SC policy and what does this entail? Multicultural lens and whole of society lens.

**Action:** <sup>s 22</sup> to get a briefing for each state to help map out opportunities to work together.

#### SC grants

- 87 SC grants – Peter wants to understand if there are any that haven't been allocated yet / wants to know what's in the pipeline.

**Action:** <sup>s 22</sup> is investigating grants and what has been allocated – she will continue updating <sup>s 22</sup> as new info comes through.

Thank you,

<sup>s 22</sup>
