QAnon

Dear Mr Prime Minister,

What the fuck. Why are you friends with a QAnon conspiracy theorist? Why has that lunatic's wife got a government job? What's wrong with you? Can you resign and put an adult in charge? Preferably someone who doesn't so eagerly fawn over a racist, fear-mongering, crypto fascist demagogue. Speaking of which, get rid of Dutton while you're at it.

Thanks.

HOW GREAT IS AUSTRALIA??!!
