How the IBSS supports each business development stage

For the Sector:

- Establish an Indigenous Implementation Advisory Group to ensure Indigenous businesses are embedded in the implementation of all IBSS actions
- · Hold an annual Indigenous Business Summit
- · Hold an Indigenous Women in Business Conference
- · Collect better data on the Indigenous business sector to better understand needs and gaps
- Establish a digital launch pad to make it easier for Indigenous businesses to access information about services and commercial opportunities.

Ideas & Planning
