

Guaranteed jobs available!

For committed job seekers

Vocational Training and Employment Centres (VTECs) have jobs for committed job seekers.

VTECs offer you specific support for a specific job, so you can be confident that you are ready to start your new job in the real world.

If you are an adult Indigenous job seeker then you could benefit from a VTEC who is ready to help you:

- Guaranteed job placement
- Support to prepare you for a job
- Mentoring and help once you are working

VTEC is funded by the Australian Government and is based on the GenerationOne model.

VTECs will help you find a job, prepare you for that job and stay in that job!

How does it work?

VTECs will talk to you about what you need to do to start a new job. They will help you with any difficulties you may have and support you into that job when you're ready.

So you get a guaranteed job in return for successfully preparing for that job.

The assistance you receive could be:

- Help to get a driver's licence, or some other licence or ticket
- Reading and writing support
- Work experience
- Study for a Certificate or Diploma, and
- Other practical support

Get in Touch!

There is a local VTEC near you. Get in touch today and ask about what they can do to help you prepare for a job:
